

"Rules of the Trails"

- **Yield to others already on the trail.**

- **Keep to the right.**

Ride on the right-hand side of the trail and roadway. On streets, ride with the traffic flow. Do not weave in and out between parked cars.

- **Travel at a safe speed.**

Travel at a speed that will not disturb or risk injury to others on the trail. Reduce speed on sharp turns and blind corners or when approaching others from behind

- **Pass with care.**

When passing another person, call out, "On your left." If you are the person being passed, signal with a wave or move to the right.

- **Ride only in designated areas.**

Do not ride on park lawns, walks or foot trails. This is unsafe and can damage the landscape.

- **When stopping, move to the right off the pathway.**

- **Use proper hand signals when turning.**

To avoid a collision, drivers need to know where you are going.

- **At busy intersections walk your bike.**

- **Use headlights at night.**

When it's dark, use a white head light mounted on your handlebars or helmet, and a red rear reflector or light.

- **Ride single file.**

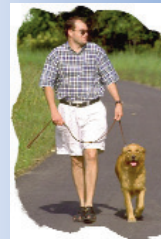

- **Wear appropriate safety equipment.**

Use appropriate protective equipment such as a helmet, knee and elbow pads for in-line skating, and bicycle helmets.

- **Skaters, use city sidewalks.**

When in the municipal street segment of the trail, skate cautiously on the sidewalk. In-line skating is not allowed on city streets.

- **Keep your dog leashed and under control at all times.** Keep your dog on a short lead, preferably no longer than 6 feet, so the leash doesn't extend across the path causing biker or skater problems.

- **Dog Waste**

Please pick up your dog's waste immediately and dispose of it at your home.

- **Owners are asked to keep their dogs out of picnic areas, play structure/swing areas, athletic fields and areas marked "No Dogs Allowed."**

- **Use of motorized vehicles on the trails is prohibited.**

OAK CREEK RECREATIONAL TRAILS
